REIGN 50
2025-2026

ISCWR

Where do I even begin? It has been an absolute honour and privilege to serve the ISCWR as President during Reign 50. When I first agreed to step up as president, I knew it was going to be challenging, but what I did not know was how it would become such a huge part of my life, and how rewarding it would be. We not only created a team, we built a family.

To my fellow board members, Keltie, Gabe, Vanity, Michelle, Kealey, Felicia, Finn, Cody, and Vonda, and, you really stepped up and supported this year. I am grateful for your spirited teamwork, open debate, and willingness to share your time, knowledge and perspective. I could always rely on you to lead and volunteer during our many events, even during tough times, and I could not have asked for a better team!

To upper house members Voltessa, Charlemagne, Audrina and Theminem, it was wonderful seeing all of you grow as titleholders throughout the reign. Each of you contributed significantly to the reign in different ways, and I feel you all accomplished the goals you set for yourselves. When the time is right, I cannot wait to see you take your next step.

To monarchs Wanda & Georgiie, all I can say is what a fantastic year! There are not enough words to describe the immense pride I felt watching you build your legacy. You certainly had your fair share of challenges this year, but in true form, you rose to every occasion, always leading with passion and heart where you turned every obstacle into an opportunity, forging new friendships along the way. Your kindness and generosity has left a lasting impression the community, and it is going to be a tough act for anyone to follow!

To my fellow candidate, Vonda, I wish you the best of luck, and should you be successful in stepping up, I cannot wait to see all that you will contribute to the next Reign!

Lastly but not least, a huge shout out to our members and our community. All of this is only possible due to the support you show to this organization. Fundraising is a community effort, and you have been there with us at every Brunch, Bingo, Pageant and show, supporting, donating and cheering us on!

Thank you for everything!

MESSAGE FROM THE COLLEGE PRESIDENT

Good evening, friends and chosen family!

It is with great pleasure and excitement that I welcome you all to Edmonton and Coronation: Area 51! The Imperial Sovereign Court of the Wild Rose and the 50th Imperial House under Millicent have had a fabulous year doing noble deeds and fundraising for Edmonton's LGBTQI2S+ Community.

The focus of this reign and year has been community outreach, fostering new connections, attracting new members/ performers and raising funds for various local charities of importance to the monarchs. With a record breaking 25 bursary applicants, we will be distributing funds to LGBTQI2S+ students by means of the John M Kerr Memorial Bursary.

Tonight, we crown our 51st Monarchs under Empress 1 Millicent! We honour our founding members, our history within the community, countless monarchs, title holders and volunteers who have all contributed to the legacy of our organization, as well as the countless charities and community members whose lives have been elevated by our efforts over 50 years. Surviving as long as we have is no small feat, especially in today's world. Every generation has faced the struggles of their time and the lessons learned and passed down over the decades have resulted in the strong thriving FAMILY we see today!

On behalf of the ISCWR College of Monarchs I wish to thank you for all the love and support this year and for joining us to celebrate the achievements of Reign 50. Have an amazing weekend and we shall see you all in our travels.

Hugs and Love,

MESSAGE FROM THE EMPRESS

Wanda Lust

Empress 50
Edmonton and all Northern Alberta

To all of my community, friends, and family that have supported me this year, thank you. Without you I wouldn't have been able to make it through this year. All your unconditional love has shown me the true meaning of what community means.

When I was told that being a monarch is a full time job, I didn't believe them. Joke is on me because they were right! From the late night planning, last second decision making, to the sheer work load it takes to keep a reign going, it can be very stressful. In saying that, it also comes with so much joy and excitement. Starting off from scratch to seeing reign 50 blossom into what it has become has made me so proud to be an Empress.

As monarchs, we are often our worst enemy. Many times we feel like we are failing or not hitting our goals but then we have people to bring us back to reality and reassure us that we are in fact doing something so special for our community. All the fundraisers we've done this year have been led by an absolutely incredible team and I appreciate you all so much.

Of course, there's something to be said about my stunning upper house that has stood behind me this year. Not only have they helped provide guidance for me but they have put all their effort into making this a successful reign. So of course, being the sap I can be, I wouldn't feel right if I didn't acknowledge each and every one of them.

Aboyactually (Princess) : What can I say about you? A lot. You're incredible. I have admired you since day one when I watched you debut. To think that we would be reigning together for the last two years has been nothing short of chaotic and fun. Your energy is vibrating and the obstacles you overcome daily are so impressive. The court better watch out when you get your monarch shoes on because you are going to create waves in the most amazing ways possible.

Charlemagne Champagne (Prince) : Your incredible talent, perspective, and impeccable laugh have always resonated with me. You bring so much to the table and I am so proud of seeing the Prince you have become. The only thing I ask is that you finish rhinestoning that damn guitar haha. I can't wait to see you reigning one day. I know you will be an amazing monarch.

Audrina Linn (Duchess) : All I can say is I adore you literally to the moon and back. You're always one person I know I can rely on and kiki with all at the same time. The way you have guided me this year has been unmatched. You have such a good outlook on situations and take all perspectives into consideration. I also know you're probably sick of me asking for last minute wig repairs but, I promise it won't happen for a while haha. You are incredibly talented in so many ways and I appreciate everything you've done for me. I can't wait for you to wear a bigger crown than me in the future ;).

Theminem (Duke) : It has been such a joy to get to know you this year! You have been so amazing and supportive in ways I didn't know we needed the support. Your constant smile and always being there to help does not go unnoticed. I am so proud of the obstacles you have overcome this year and I can't wait to see what is in store for you in the future. You are an amazing human being.

Georgiie Street : My ride or die. My imperial husband. My best friend. Words cannot describe our friendship or how I adore you. We are literally inseparable. I wouldn't be where I am without you by my side. You are the most incredible person I have ever met. From your groovy moves to your kind and funny personality, you are truly a role model in every way. I couldn't have asked for a better person to be able to bring our vision to life this past year. You will always hold such a special place in my heart and I cannot wait to be able to get back into playing cod with you!! From the bottom of my heart, I love you so much and I'm so, so proud of the Emperor you have become. You deserve every praise you get from the astounding job you have done.

To my halves and quarters :

Vanity Fair (In-town) : Thank you for always making my hair look amazing. You are so amazing to me and your commitment to the community and the ISCWR is stunning. Thanks for standing by me and showing me the ropes. Do you have any other dresses you're getting rid of??

Karmella Barr (O.O.T.) : Ole Paloma. That is all. Nevermind, Emprex milk haha. You're wild, I adore you so much. You have made this reign so fun. Never change and keep on getting that milk!!! Thank you for being a true friend.

Gabe Itch (¼ In-Town): Thank you for supporting my milk habit haha. It's so good. But also thank you for putting up with my shenanigans and being a part of it. You're so special to me and I truly cherish the times we get to spend together. Long live the Emprex milk!!!

Sister Fancy Pants (¼ O.O.T.) : Words cannot describe what you have done for me. Not only have you made me feel amazing with your stunning outfits, but it's the friendship that has been created between us. I adore you in ways I cannot explain and am so grateful for the love you have shown me. You are an incredible person and do so much for so many people. You are a true staple of someone who brings community together. So thank you always.

I wish I could put everyone in here that means so much to me. Unfortunately, we have a word limit haha. But, these people know who they are and I just want to say one last thank you to you all. You made this reign happen and we did it!

Thank you for trusting me this past year as an Empress and I can't wait to see what reign 51 brings. Ole Paloma.

Also, to GoDiva's long awaited unanswered question on which golden girl I am. I'm definitely Rose. She's a bit crazy, will do anything for her friends, and we both look damn good in white hair!

MESSAGE FROM THE EMPEROR

Georgiie Street

Emperor 50
Edmonton and all Northern Alberta

Well, we all know how good I am with words so here it goes.

What's up everyone! Let's party and have a time! Thanks for coming!

Nah I am just kidding.

Welcome everyone to Coronation: Area 51, so excited to celebrate with you all!

I'd like to first start by thanking my board for helping us with all the events this year and navigating some very difficult situations, from venue loss, Show Cancellations and pivoting every 5 seconds. It hasn't been the easiest year for logistics, but we made it through and I couldn't have done it with the support of you.

To my upper house y'all did the thing and we made amazing memories doing so. I couldn't have picked a better support team to help us get through this year. We laughed, cried, except Audrina, and laughed some more.

To my in-town half **Gabe Itch** you weren't just my half you were my friend, support and Daddio. You made sure I was okay when life got tough. You not only where my half but stepped up for protocol and when it was needed, Vice President. Thank you for all the bingos, posters and last minute things. I know I could call and it would get done. Don't worry I will pay you back in ducks or dinosaurs shhhhh.... Don't tell Vanity.

To my out-of-town half **Fancy Pants** thank you for making me finally feel like Georgiie in everything I wore. This year my drag has elevated, and I have a big portion to thank you for that. Thank you for being a listening ear and wise advice when I needed it, a good many talks to have an outside perspective.

To my unofficial halves, First **Karmella Bar** there wasn't a time you didn't check in to just make me laugh. Last minute travel to support something local weather it was in Vancouver or Edmonton the hangout sessions were always a hoot. Unofficially I may be obsessed with you just as much as you are obsessed with me.

Vanity Fair you were always the levelheaded factor both Wanda and I needed. You were always first to help us out whether it was a wig for Wanda or a hair cut for me, just a check in cause times were tough, or a stern "hey time to focus". You are Mother, even though I'm sure I will say or do something tonight that will make you wait to officially ask me. Thank you for not only being here for us this year but for being my friend the last few years.

My Empress.... Hi Hunny!! You not only joined me in this crazy ride we call reigning once but twice. Starting as Prince and Princess last year together to now Monarchs. I couldn't imagine doing this with anyone but you. The year was very rough, but no matter what we had each other's backs. From politics to venue loss, show cancellations and personal break ups. You were there for me and I was there for you. Everyone says, well at least you two are still talking. I don't picture a day without talking to you even when we step down. Bring on Wazzy Life and COD!!!! I can't wait to see where our friendship goes after this. Ride or die baby!!!!

I am sure I am missing a bunch of people, and I am sorry it was the night of deadline when I wrote this in true Georgiie fashion.

Now that the sappy stuff is over with. Let's drink like my family on The Rock would, laugh till our stomachs hurt and have one hell of a good night!

P.S. Gabe told me this had to be like 1500-1700 words. I am not even close to 1000 so you're all welcome.

Forever and always,

The Funky Moving, always Grooving, Newfie who puts the sweet back in to Sour Puss.

His most Imperial Sovereign Majesty,

Emperor 50 Edmonton and all Northern Alberta,

Georgiie Street

MESSAGE FROM THE IMPERIAL CROWN PRINCESS

Voltessa Shock

Imperial Crown Princess

Reign 50

This past year has been one I'll never forget.

It brought incredible highs, difficult lows, unexpected challenges, and moments of so much joy. While it wasn't a perfect reign, it was a meaningful one. Through every twist and turn, we found strength in one another and were reminded that our community is built on love, resilience, and showing up for each other.

I'm so grateful for every performer, volunteer, donor, audience member, and friend who made this year what it was. The memories we've created, the laughter we've shared, and the support we've given each other are what I'll carry with me long after this reign ends.

Serving as your Princess has been an incredible honour. Thank you for believing in me, lifting me up, and making this year so special. As I step aside and welcome a new reign, I do so with a full heart, endless gratitude, and excitement for everything still to come.

Yours,

Their Most Imperial Sovereign Highness

Imperial Crown Princess 50,

Voltessa Shock

Audrina Linn

Imperial Grand Duchess

Reign 50

Well here we are.....

Being given the opportunity to Reign this year as your Duchess has been a highlight in my journey.

To my Monarch's, I have just the utmost respect and love for you both. You kept your heads held high and gave so much love to the community.

Before this year started, I had an overwhelming feeling that I had lost my community because I took a step back in many parts of my life. When I accepted this position, my goal was to get it back, which I did 10 fold. I have met and worked with so many more people and found new friendships in people I was not expecting to.

To my Champagne sister, you were my shining beacon this year. I am so glad to have gone through this with you and just know in those moments when you feel overlooked, I see you and the work you put in.

Many thanks,

Her Most Imperial Sovereign Grace

Imperial Grand Duchess 50

Audrina Linn

Theminem

Imperial Grand Duke

Reign 50

First and foremost, I would like to take a moment to recognize my incredible partner, Felicia Bonée. Anyone who knows me knows that stepping into the spotlight isn't exactly my comfort zone, but thankfully I had Felicia to help carry me through this reign. She represented us with undeniable beauty, personality, and an energy you feel the minute she walks on stage. Every time I get to watch her perform I am in awe, and I couldn't have asked for a more dedicated, supportive, or extraordinary partner. She made this year brighter in more ways than she'll ever know.

Looking back on my year as Duke, I can honestly say it has been a year of growth and resilience. Like many, this year brought its share of unexpected challenges, and there were certainly moments that tested us. Despite it all, we are proud of how our community came together and showed up for us, and I am especially proud of what we accomplished together in support of our charities. Every fundraiser, every event, and every person who donated their time, talents, and resources made a difference. Being able to give back to our community is what this organization is all about, and it has been an honor to play a small part in that mission as your Duke. I look forward to seeing all of the amazing things this organization continues to accomplish in the years ahead.

Sincerely yours,

His Most Imperial Sovereign Grace

Imperial Grand Duke 50

Theminem

MESSAGE FROM THE IMPERIAL CROWN PRINCE

Charlemagne Champagne

Imperial Crown Prince

Reign 50

When I first accepted this honour of serving this organization as Imperial Crown prince, I held a vision of what this year would become. However, this year did not unfold in the way in which it was expected.

There were moments of great joy, moments that reminded me of the Queer love and pride that has lit the way for this organization for over half a century. There were also moments that challenged me in unimaginable ways. All these moments reminded me that the true test of what we do isn't just hosting shows and celebrating others; sometimes it's about finding the strength to keep showing up, again and again, even when your heart feels heavier than anyone else realizes. Sometimes, the true test of this position is championing the stability, grace and love that we all so desperately seek and crave as we navigate through the rough dark seas into the harbours of tomorrow.

To those who stood beside me, whether it was through words of encouragement, quiet acts of kindness, or simply just being present when it mattered most: thank you. There were days when your support and unconditional love meant more than you could ever possibly know. Those moments reminded me that even in the most difficult of seasons, even in the darkest of nights, kindness has an extraordinary way of finding us.

Serving our community as Imperial Crown Prince has been one of the great honours of my life. It has allowed me to meet extraordinary people, forge deeper connections with courtiers across the system, and experience the incredible resilience that defines our Court family. Those memories will stay with me for life.

To those who follow, I wish you a reign filled with joy, meaningful friendships, and the everlasting confidence to lead with authenticity, conviction, and love. There will be days that test you, but there will be moments that remind you exactly why this organization is worth believing in. Don't be afraid to chart a course across untamed oceans, or, as my favourite quote goes: Take a risk. It's the most Edmonton thing you can do.

Good night, and joy be to you all,

Their Most Imperial Sovereign Highness

Imperial Crown Prince 50,

Charlemagne Champagne

Half Emprex to the Empress - In Town

Wanda Lust....Wanda ~ Wanda ~ Wanda. Wanda Lust Street Fair? Has a nice ring to it lol. SIGH! No like a loud sigh and moans of agony and disdain... It has been an absolute pleasure being your In-town half this Reign gurl! You brought the fun back to court drag this year and I had a blast reading you to filth... Are you wearing earrings tonight???

In all seriousness, you have not been involved or even doing drag for that long but enthusiastically jumped in feet first and made amazing things happen from day one. It has been amazing to watch you grow, BLEND lol and to mentor someone who just "gets it" as we say in the court world.

You and Georgiie lead with your heart, and that is what all the hard work we do is about. Thank you for taking such good care of my little Georgiie. You two have the most amazing chemistry and relationship, how did you make it 12 months still speaking and getting along?... Asking for a friend. Looking forward to friendship and laughs for years to come. We should go from Ramen and Nuggets soon.

Love you kid!

Half Emprex to the Emperor - In Town

How was it that only 3 years ago, to put it into your own words "my shadow" and in my words "goto errand boi" to being who you are now! My baby boi is all growed up! Who knew we would see the day? Georgiie I am so proud of you. You have grown so much as an individual, from a lil a shy, anxious bean, to someone who stands firm in their actions and decisions and became a leader in our community. An Emperor.

I am thankful you trusted me (not sure why Wanda trusted Van though) to be Back up Georgiie - am I Back up Georgiie #2, I think Thunder is #1 - this year! The spoofs and goofs and DINOSAURS are memories I will hold onto until the next time your parents make Jello shots. And I will drive 100 miles, on a road trip to Calgary, to borrow your clicky fidget toy. I can't wait to watch sports ball, and sing songs that somehow we know all the words to. Shall we Lose Control one last time for shits and gigs? Oh and WANDY, HI, BYE.

K,

Triple Decade Monarch - Reign 20

Good evening and Wilkommen Monarchs, Honoured guests and Ladies and Gentlemen.. It's been 30 years since my crowning [a whole generation]. There have been many trials and tribulations in that time.. Some good , some bad. Let's not forget those and what has brought us to where we are now. I have been honoured to make many friends through the court system. Too many to mention individually so thank you Vancouver, Calgary, Edmonton. Regina, Winnipeg, Toronto, Hamilton, Seattle, Portland and especially my 20th colour co-ordinated house of leather, lace and lounge acts . Mr. Vera, Weena Luv and Jim. My sister Empress #26 Ida Claire thank you for being my Guardian Angel and always keeping me on the right path."love you immensely". "You can put your wings back in your pocket!"

With gratitude Canada's oldest living empress east of the Rockies.

Empress 20 of the I.S.C.W.R.

Double Decade Monarch - Reign 30

Message of Gratitude and Legacy

After more than four decades in the art of drag and twenty years since receiving my second Empress crown, I look back with immense pride and forward with a full heart for what is to come.

Since my journey began in 1985 – from my first steps on stage at Coronation 11 – this vibrant community has, at times, been my sanctuary, my classroom, and my chosen family. Serving as the 30th Elected Empress of Edmonton remains one of the greatest honours of my life. Together, we have spent years championing artistry, advocacy, and the unwavering belief that everyone deserves a safe space to shine and be who they were born to be. Never forget that drag has been at the forefront of the fight for equal rights in our community, our country and indeed the world.

While titles are a recognition of the work, it is our shared spirit of community service and the lifelong bonds we build that truly define us. Remember, winning the crown is just the first step, noble deeds within your community is where the real work of a true monarch lies. I am also deeply grateful to my ride or die, Empress 35 Dee Luv, for your unwavering support, and to my late partner, Benjamin, for your unconditional love.

Thank you Edmonton for a lifetime of love, loyalty, and unforgettable magic. With all my love and pride,

Leah Way

Anniversary Monarch

Big congratulations to the 50th house under Millicent on another year of fundraising and noble deeds! Felicia, Skyler, Audrina, Charlemagne, Voltessa, Georgiie, and Wanda, I hope you are proud of your work this year and can enjoy a well-deserved rest.

This last year has been... less than Ideal. A roller coaster of highs and lows, happiness and grief, relaxation and stress. 2 major family deaths, an engagement, a complicated work schedule with no work followed by extended shifts, has led to stress levels higher than when I stepped down (who knew that was even possible!).

But I've also never been more grateful for my life than I am right now. I got to watch two people I mentored step up to the plate this year and carry on the court legacy. My community recognized me for 2 awards at the stilettos this year, and I got to step up and represent my home bar as Mr. Evo. And most importantly, I got engaged to the love of my life after 9.5 years of dating. I guess I owe a big thank you to the court for bringing us together.

Congrats ISCWR on 50 years of hard work, and good luck to the 51st aspirants!

I remain,

Your Dowager Shit Disturber and King Father to the 50th Reign,

His Imperial Sovereign Majesty,
Emperor 45 and 49 of Edmonton and All Northern Alberta (and Red Deer)

Half Emprex to the Empress - Out of Town

I am so incredibly honoured that Wanda asked me to be her half Emprex for the year. Edmonton and all of its inhabitants have a special place in my heart. Wanda, I love having Instagram Video messages with you (almost) weekly. You are a die hard milk supporter and I love that for our relationship. Thank you for being such fabulous representation for your empire and thank you for being such an awesome and sexy (respectfully) person!

Georgiie, you are cool too, but you know what you did 🤣. I am so happy to meet you and I am so happy we got closer over this year and beyond!

CAUGHT IN THE ACT

Damien Ghoul

Entertainer of the Year 2025

I'd like to extend a heart-felt thank you to Wanda, Georgiie, and all of Reign 50 for welcoming me as their Entertainer of The Year.

It really means so much when folks with varying abilities and means are recognized, and a willingness to embrace all types of drag in the end helps make us all feel included and gives a sense of belonging. I am truly grateful for your recognition and your support.

I've had such a fantastic time over the year participating in the various fundraisers, and low-key turning Wanda into a Ghost fan. 😈

It has been my honour, and my pleasure!

With all my love, and a little "Hail Satan!"
